WEDNESDAY, NOVEMBER 1, 1893.

WEATHER FORECAST.
Cooler weather; brisk and
high winds.

To-day is the last day of the special registration. If you were out of the city on regular registration day or were kept at home on that day by sickness, you can have your name added to the list by calling at the County Clerk's office and complying with the law.

In the face of the overwhelming sentiment in this State in favor of the unconditional repeal of the Sherman silver law Senator Blackburn voted "No" when the question was on its final passage Monday. "Our Joe" evidently imagines he carries Kentucky in his vest pocket. He appears to have forgotten that he was sent to Washington to represent the people of a great State.

SEPARATE ballots and separate ballot-boxes will be used in voting for municipal officers at Dover, Germantown, Mayslick and other towns of the sixth class at the approaching election. This is rendered necessary from the fact that the people from the country who vote at these places have no voice in the election of town officers. In Maysville the names of candidates for the municipal offices and the county offices will all appear on the same ballot, and separate ballot-boxes will not be used.

SINGLE X DEMOCRATS.

The members of the single X Democratic clubs of Mason County have not forgotten the splendid victory won last November. The big majority rolled up for the various nominees in that contest was largely the result of the excellent work done by these organizations throughout the county. Every member of these clubs should make it a point to go to the polls next Tuesday and help win another victory. The party has nominated good men. See that the nominees get the full party vote. They deserve it, and should have it.

SPENCER COOPER, editor of the Hazel Green Herald, says: "The editor of the Herald can prove to any man in the mountains that he has been treated as badly, or worse, than any Democrat in the State, but all the same he don't bolt. Should he do so, because of the failure of his friends (?) now in high places to comply with their promises, he could not conscientiously say, 'I am a Democrat,' a title he would rather wear with honor than to hold any office in the State."

There has been some talk of "bolters," "kickers" and "soreheads" in the present Senatorial contest, but no true Democrat will secretly stab the nominee of his party. The will of the Democracy was expressed at the late primary, and defeated candidates and their friends should gracefully submit to the voice of the party.

A CHARMING BOOK OF ESSAYS.

We find in Lippincott's Magazine for November the subjoined notice of a book of essays from the pen of an old Maysville boy—William Armstrong Collins—a son of General Richard Collins and a grandson of John Armstrong, one of the most enterprising, sagacious and successful of the early business men of this place. Mr. Collins has been for many years a contributor to the Eastern press, and is recognized as a writer of remarkable brilliancy, eloquence and taste:

"AT LONG AND SHORT RANGE: By Wm. Armstrong Collins. A choice edition printed from type and limited to 500 copies, has been printed of these charming and original essays in miniature. They have about them all the genial spirit of Lamb and Leigh Hunt, and in their treatment of men, women and things show a wealth of experience and winning wisdom crystallized into paragraphs and essays never more than two or three pages long. A fascinating book for presentation or for the shelves of the book-lover."

COUNTY CULLINGS.

Items Picked Up by the Bulletin's Correspondents in Mason and Elsewhere.

MINERVA.

G. W. Harrison and Granison Reynolds were at Ripley Saturday.

Frank Boyd, Jr., and wife made a trip to Cincinnati this week.

Mrs. Raenel Jennings, of Millersburg, is visiting in this vicinity.

Miss Lulu Jones returned to her home at Walton, Ky., last Friday.

Walter Reynolds and Thorne King are recreating for a few days at Lexington and vicinity.

Our Methodist brethren have added a new attraction to their church by the purchase of a new chandelier.

Miss Lide Frazee lost her purse Friday morning, but it was picked up by honest hands and returned the same day.

Thomas Robertson has moved into the home-stand formerly occupied by his brother, Clarence, and has rented his farm to Mr. Milley.

Mrs. Carrie Wells, of Maysville, together with her sister, Miss Daisy Hubbard, and mother, Mrs. Hubbard, were guests of Mrs. J. M. Sidwell Saturday and Sunday.

Five prisoners were taken from his Satanic majesty in the late campaign at the M. E. Church. All were very much impressed with the boy preacher from Augusta, and predict for him a bright future.

The teachers' meeting at this place Saturday was successful. Our hospitable citizens spread an excellent dinner for the visitors, and all seemed to enjoy themselves. But, where were our Mason teachers? Besides the two located at this place only three were present. However, Ripley sent us her delegation, which was a very valuable addition to the association.

GERMANTOWN.

The meeting at Two Lick Baptist Church closed Tuesday night with fifteen additions.

W. C. Johnson went to Maysville Monday morning to enter upon the duties of the office of Gauger.

Empty storerooms and vacant dwellings "to rent" do not speak very highly for the prosperity of our town.

Rector Barton and family, after a pleasant visit of two months, returned to their home in Missouri this week.

Miss Lizzie Hunter removed Monday to Covington. She and her sister, Miss Josie Dwire, during the short time they lived in our town, made many friends who regret very much to have them leave us.

A musical soiree on Broadway at the residence of W. F. Pollock, on Saturday evening, participated in by Misses Jennie Barton, Robbie Savage, Daisy Pollock, Mrs. Sue Pollock, Mr. and Mrs. Wm. A. Pepper and A. D. McDougle, was very enjoyable.

KENTUCKY GETTING THERE.

The State's Agricultural Display at the World's Fair Receives Eighty-Six Awards.

Kentucky's agricultural display at the World's Fair has received several awards, and they are creditable to the State. They were distributed among the various products as follows: Tobacco, 7; hemp, 15; wheat, 9; corn, 32; seeds and grasses, 23, making a total of eighty-six awards in this department alone.

This will make a total of something over 200 medals which Kentucky has received so far. The live stock men alone have carried away seventy premiums during the summer. The mineral exhibit obtained thirty medals, and the forestry department was equally successful in securing the favor of the judges.

The awards in the educational display, the horticultural show and the manufactures department will be announced during the early part of this week.

Giving or Selling Liquor Election Day.

The Court of Appeals in a recent opinion says: "As the fraction of a day is not regarded in law the sale or gift of spirituous, vinous or malt liquors at any time during the twenty-four hours of an election must be held a violation of Section 154 of the Constitution which requires the General Assembly to prescribe such laws as may be necessary for the restriction of the sale or gift of spirituous, vinous or malt liquors on election days, as well as of the statute enacted in pursuance thereof, which prohibits the sale or gift of such liquors upon the day of any general or primary election."

"Zeb."

The attraction to be presented at the opera house Thursday evening, November 2nd—to-morrow evening—is the comedy success "Zeb." The piece is full of good, hearty laughs from beginning to end, and is replete with splendid singing and dancing specialties. Besides the comedy and specialties there are introduced special new and original scenic and mechanical effects. There is not one old, worn-out feature introduced in "Zeb," and a good evening's enjoyment is in store for those who enjoy a good laugh. Admission, 25, 35, 50 and 75 cents. Tickets on sale at Nelson's.

Making Paper Out of Sunflowers.

A special from Salina, Kansas, says: "The paper mill at this place has completed an important experiment to determine the practicability of manufacturing paper out of wild sunflowers. The test was a complete success. Several tons of the weeds were made into paper, which is far superior to straw paper, the fiber of the sunflower product being as tough and pliable as rag paper. The mill is now buying sunflowers and proposes to make sunflower paper a specialty, as it can be made very cheap. This is the first experiment of the kind ever made."

Special Registration.

Up to 10 o'clock to-day 100 voters had registered at the County Clerk's office. Of these twenty are colored.

To-day is the last day of this special registration.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

Rev. R. G. WILDER, Princeton, N. J., says:—"I find nothing helps so much to keep me in working condition as Simmons Liver Regulator."

ANSWER TO "SNOWBOUND."

Yes, you think it fine fun
When your rhyme you begun,
Of financial affairs of the day;
But you don't call to mind
That the debt left behind
Are still left for the rooster to pay.

You all put the blame
On Democracy's name
When you don't give her time to get straight;
She must first pay your bill
Then wait and she will
Change the tune that you cry here of late.

The state of the affair
When your "Ben" took the chair
Was not bad, as we find them to-day;
But now that we're in
We'll show you we'll win,
And our victory's not far away.

So the day that it snowed
And our big birdie crowed
Will yet make you each one rejoice;
So blame us no more,
'Tis you fault we're poor,
And you'll yet say the rooster's your choice.

MR. PIPER WITHDRAWS.

To My Many Friends of the Sixth Ward: I this day withdraw my name from the race for Councilman in your ward. I find I am not eligible for the position from the fact of not having been a resident of the ward a sufficient length of time, by two days, under the new law. The noble manner in which you have rallied to my support and pledged your indorsement, has won my sincerest gratitude, and had it been possible I would have shown that your confidence was not misplaced. Respectfully, S. A. PIPER. Maysville, October 31st.
